CONSTRUCTION SCHEDULE UPDATE

McHugh Excavating & Plumbing, Inc. is finishing up with culvert installation and widening activities for Hillview Drive, Nordic Court, and Ridgeview Road. They will be moving on to South Rushford this week to continue with culverts and widening.

Starting next week (July 25), they intend to begin replacing driveways as needed to provide a smooth transition to the new pavement surface. As of now, McHugh is planning to pave all of the roadways the week of August 8 with turf restoration to follow.

As construction continues to progress, residents can expect delays but will be able to still travel the roadways. The contractor has been instructed to maintain access and no road closures are planned as part of the project.

CONTACTS

If you have questions or concerns at any time, please contact Josh Pope or Zac Remer at the phone numbers or email addresses listed to the left.
